supportive housing, toronto, housing, supportive

Summary

This data is obtained from the source as a list to support business operations. This data set contains the locations of Supportive Housing in the city of Toronto. The data set is updated when a new location opens or an existing location closes.

Description

File is a GIS point file. It was collected within the operating department and passed to the Geospatial Competency Centre (GCC), who geo-coded the data set and created a point file to be used within a GIS environment.

Credits

There are no credits for this item.

Use limitations

The dataset is limited to the City of Toronto boundaries and is best utilized when overlaid with the City's Street Centreline File
